Dear Mr. Read:

By letter dated June 30, 1981, you requested our comments on a proposed amendment to the Federal Procurement Regulations adding a new section 1-12.904-3. The new section adds two clauses for use in service contracts. These clauses provide a means for adjusting the price of fixed-price service contracts when wage determinations under the Service Contract Act of 1965, as amended, or minimum wages under the Fair Labor Standards Act of 1938, as amended, are revised during the contract period.

We have no comments to offer.

Sincerely yours,

Harry R. Van Cleve
