WASHINGTON D.C. 20548

September 12, 1983

B-209328

To the President of the Senate and the  
Speaker of the House of Representatives

On August 18, 1983, the President's eleventh special message for fiscal year 1983 was submitted to the Congress pursuant to the Impoundment Control Act of 1974. The special message proposes one new deferral of budget authority totalling \$165,000.

RAILROAD RETIREMENT BOARD

D83-83      Limitation on Railroad Unemployment  
             Insurance Administration Fund  
             Amount deferred: \$165,000  
             20X8042(02)

We have reviewed the eleventh special message. We have identified no additional information that would be useful to the Congress in its consideration of the President's proposal, and we believe that the proposed deferral is in accordance with existing statutes.
