Comptroller General Reports to the Congress

Reports on GAO audits, surveys, and investigations of U.S. Government activities.

Copies are provided without charge to Members and committees of Congress, Government officials, members of the press, college libraries, faculty, and students. Others may obtain copies for \$1.00 each, except as noted.

Orders for audit reports should be accompanied by a check or money order. Please do not send cash.

When ordering a GAO audit report, please use the B-number, date, and title to expedite filling the order.

This list includes reports issued during the period July 1972-June 1973. They are listed by functions of the Government, not by departments or agencies. Because findings developed in one agency frequently have application in others, this arrangement allows consideration of all findings in all agencies in each functional area.

An index by agency follows the listing of reports.
