Subject: Federally Chartered Corporation: Review of the Financial Statement Audit Reports for the National Fallen Firefighters Foundation for 1997-1999

Dear Mr. Chairman:

As requested, we reviewed the audit reports covering the financial statements of the National Fallen Firefighters Foundation, a federally chartered corporation, for the years ended December 31, 1999, 1998, and 1997. The corporation's purposes are to encourage, accept, and administer private gifts of property for the benefit of the Foundation's Memorial and the associated annual memorial service; provide financial assistance to families of fallen firefighters for transportation and lodging during the annual memorial service; assist State and local efforts to recognize firefighters who die in the line of duty; and provide scholarships and other financial assistance for educational purposes and job training for the spouses and children of fallen firefighters.

Federally chartered corporations are required under 36 U.S.C. 10101 to

present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements,

obtain an annual financial audit by an independent public accountant, and

submit the auditors' report and the corporation's financial statements to the Congress.

The objective of our review was to determine whether the audit reports complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, reviewed the auditors' reports, and made inquiries to corporation officials or the auditors as we deemed necessary. We did not review the auditors' working papers. Our review disclosed no reportable instances of noncompliance.

The audit reports included the auditors' opinions that the financial statements of the corporation were presented fairly in accordance with generally accepted accounting principles. We are returning the audit reports you sent with your letter.

Sincerely yours,
