Subject: Federally Chartered Corporation: Review of the Financial Statement Audit Report for the United States Olympic Committee for 1999, 1998, and 3-Year Period Ended 1999

Dear Mr. Chairman:

As requested, we reviewed the audit report covering the financial statements of the United States Olympic Committee, a federally chartered corporation, for the years ended December 31, 1999 and 1998 for the Statement of Financial Position, and for the year ended and the 3-year period ended December 31, 1999 for the Statement of Activities and the Statement of Cash Flows. The corporation exercises exclusive jurisdiction over all matters pertaining to the participation of the United States in the Olympic and Pan American Games and the organization of such games in the United States.

Federally chartered corporations are required under 36 U.S.C. 10101 to

present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements,

obtain an annual financial audit by an independent public accountant, and

submit the auditors' report and the corporation's financial statements to the Congress.

The objective of our review was to determine whether the audit report complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, reviewed the auditors' report, and made inquiries to corporation officials or the auditors as we deemed necessary. We did not review the auditors' working papers. Our review disclosed no reportable instances of noncompliance.

The audit report included the auditors' opinion that the financial statements of the corporation were presented fairly in accordance with generally accepted accounting principles. We are returning the audit report you sent with your letter.

Sincerely yours,
